

March 31, 2011

Dear MCCPS Families & Friends,

Life has been very busy at MCCPS, and fortunately it has all been productive and energizing!

Thought you'd like to know -

Our recent production of Disney's The Jungle Book was very well received. The students had a wonderful time, they learned a lot, and they're ready to do it again! Rehearsals for Once Upon a Mattress (a version of The Princess and the Pea) will begin next Tuesday, and performances are scheduled for June 3, 4, & 5. As reflection is a regular component of our practice at MCCPS, I'm curious to know your thoughts, opinions, recommendations regarding the production. What did we do well? What would you do differently? Your comments will be used to further improve our service to the students and the community, so please let me know what you think.

Sincerely,
Nina Cullen-Hamzeh, M.Ed.
Academic Director
